ADDITIONAL QUESTIONS

HOW DID YOU GET INTO THIS TYPE OF WORK? (EX. BACKGROUND)

WHAT WOULD A TYPICAL SCHEDULE FOR YOUR APPRENTICE BE? (DAYS/TIMES)

Someone is on site by 7am every day.

WHAT ARE YOUR MAIN GOALS OR THE FOCAL POINT OF YOUR OPERATION?

We work to educate about different methods of farming and teach about the importance of sustainability, healthy eating, and buying local. We want to be able to create jobs for local farmers and a new generation of farmers

WHAT CERTIFICATIONS DOES YOUR FARM HAVE OR ARE YOU WORKING TOWARDS? (EX. CSA, GAP, ORGANIC, ETC.)

All of the farms that were built by Tiger Corner Farms are GAP certified. We are working on Harmonized GAP and have started looking into HACCP.

WHAT TOPICS WOULD YOU CONSIDER TO BE YOUR STRENGTHS?

Our ability to speak to many different areas of the industry like; technology, food safety, procurement, plant biology, marketing, etc. It's still a work in progress but we love learning and working with others to create positive change!

WHAT DO YOU THINK THE FUTURE HOLDS FOR YOUR FARM?

I think that we are just getting started. I look forward to great growth in the future and cannot wait to see where we land. Not knowing is the most exciting part of what we do!
